QTY	DESCRIPTION (INCLUDE MATERIALS)	DIMENSIONS

All items must be safely and adequately packaged in a way that they can be loaded onto and off the wagon using a forklift. If items have to be packaged or banded by Thomas Grahams then there will be an extra charge to pay. To avoid disappointment, all goods are expected to be booked in at least 1 working day before the collection. Any holes that need drilled will be charged @ £6.50 per hole. Any shotblasting or stripping of existing galv or paint will be subject to additional charges.

I acknowledge that Thomas Graham's accept no responsibility for any loss or damage to customer's own property however caused whilst in possession of any third party, and I also understand that any quality issues or concerns need to be raised with Highland Galvanizing directly. (01236 731 444)
